# COMPANY PROFILE

SUBLIME INTERNATIONAL is a manufacturing & trading company working since last four decades in the field of sports goods, safety wears, leather products and other equipments. We are well experienced as our group has worked with some of the world's most renowned brands like ADIDAS, Nike, Molten, Rhinox, Reebok and Kcero. In the world of new realities and dynamic environment we are receptive and proactive to new technologies and latest systems.

As we are the third generation of the family stepping up in the field of international trade we will bring together family values, experience, skills, knowledge and expertise to deliver even better than before. With the element of innovation and the spark of moving forward we guarantee commitment to customer satisfaction.

## Our Vision:

We are committed to produce reliable, environment friendly and best quality products in order to maximize customer satisfaction keeping in mind our social responsibilities towards workers and community. We look forward to socio-economic development with the aim of keeping the environment clean and green.

At the same time we are also supplying to Government agencies and conform to their required safety standard. SUBLIME'S products bear the seal of International Quality and comply with all safety standards.

Best Regards  
SUBLIME INTERNATIONAL

# SAFETY GLOVES

A close-up photograph of a construction worker's arms and hands. The worker is wearing a brown t-shirt and camouflage pants. Their left hand is wearing a black and tan safety glove and is gripping a rusty metal rebar. Their right arm is extended downwards, also wearing a black safety glove. The background shows a construction site with white concrete blocks, a yellow ladder, and various construction materials.
